Dear Main President: (To Judges Gary L. Sharpe and Judge Andrew T. Baxter)

I recently wrote a letter to the United States District Court about erasing and removing court papers against my relatives. I still want these court papers and case erased and removed off your record against my relatives. I had filed a case against Dianne Randall, Katrina Thomas, Nykisha Giles, Shaakira Giles, Perry Lee Randall and Lewis Thomas. Also I filed a case against Le Moyne College and a church named Bethany Baptist Church and another person named Phil Turner. I want this case against Le Moyne College and a church named Bethany Baptist Church and another person named Phil Turner erased and removed off your record as well. I also want these cases to be removed off the Internet as well.

I am writing because I want the cases removed and erased off your record against my relatives. I had filed United States District Court papers on or around January 22, 2011 and February 22, 2011 and February 28, 2011 against a few relatives and I just want this case removed and erased from the United States District Court. I had filed a case against Dianne Randall, Katrina Thomas, Nykisha Giles, Shaakira Giles, Perry Lee Randall and Lewis Thomas. I also filed a case against Le Moyne College and a church named Bethany Baptist Church and another person named Phil Turner. I want to drop this case and I want the case to be removed and erased against my relatives and this church named Bethany Baptist Church and another person named Phil Turner. Also I want this case removed off the Internet. I did not know that the court puts this type of information of the papers I filed to court on the Internet. I want this information and case removed and off the Internet as well.

Enclosed is the same letter I wrote stating that these court papers be erased and removed from the United States District Court and erased and removed off the Internet as well.
